Position Description: Advanced Practice Provider – Family Medicine

Christian Healthcare Centers is a religious 501(c) 3 not-for-profit healthcare organization whose mission is providing exceptional medical services to the Body of Christ and community, guided by Biblical values.

Individuals who join our distinctive faith-based healthcare organization are expected to be mature Christians who will perform their duties in a manner consistent with the organization's Christian commitment, working in a collaborative team environment where focus is on the whole person – their physical, spiritual, and mental wellness – in accordance with the teachings, principles, and guidelines of historic Biblical Christianity and best of medical science.

Physician Assistant/Nurse Practitioner

A Christian Healthcare Centers advanced practice provider is a mature Christian who is a compassionate, experienced clinician committed to being a member of an interdisciplinary collaborative team to fulfill CHC's mission of providing exceptional, comprehensive wellness services to the Body of Christ and community, guided by Biblical values. Unlike secular providers, CHC provides distinctly Christian health care services. This means that front-line practitioners in this position are expected to be prepared to address with members the spiritual dimensions of wellness and illness, to pray with members who desire prayer, and to provide both medical and spiritual guidance, all from a perspective in line with CHC's Christian doctrine, mission, and values.

Responsibilities

- Under the supervision of the Medical Director and family practice physician, provide preventative, acute and urgent care services to members/patients in accord with the organization's Christian doctrine, mission, and values, as well as accepted standards of care.
- Assess, diagnose, treat, prescribe medication and/or refer member/patient in accord with prevailing standards of medical care.
- In accord with their licensure, credentialing, and experience, provide chronic disease management as part of a collaborative integrated care team that includes allopathic and osteopathic physicians, counselors, etc.
- Participate in Christian Healthcare Centers' on-call service, including telemedicine, online and virtual medical visits.
- Educate members on the management, control, and treatment of their medical conditions.
- Treat the whole person, including their emotional and spiritual needs, as well as their medical needs.
- Discuss members' spiritual needs, including the spiritual dimensions of wellness and illness, in accordance with the teachings of historic biblical Christianity, and pray with members who desire prayer for their emotional, spiritual, or medical needs.

- Actively participate in the development of quality improvement standards and clinical protocols.
- Collaborate with the clinical team to develop a network of trusted specialists and ancillary services providers

Qualifications

- Mature Christian actively engaged with a local assembly of fellow believers
- Committed to the CHC integrated model and philosophy of wellness.
- Willingness to work collaboratively with the clinical team to provide exceptional medical care to members.
- Three years or more of outpatient Family Medicine experience preferred; will consider less experience and/or Internal Medicine experience.
- Desire to apply the principles of the Christian faith to patient care.
- Current Michigan state medical, DEA and other required licenses.
- Willingness to utilize technology to enhance member care and access.
- Commitment to continuing medical education, personal and professional development.

Compensation

- This position may be full or part-time and compensation is based on the national and regional average for similar positions.
- Benefits include a MemberCare membership, paid time off, flexible hours and 401 (k).
